

SAF National Convention Student Grant Request

Michigan Society of American Foresters

Grant funds are available from the Michigan Society of American Foresters (MSAF) to help support student members for attendance at the annual national convention of the Society of American Foresters. To request a grant, complete the following form and return to the MSAF Chair by September 15th or 30 days before the start of the convention. You will be notified of your approval by email. After attending the convention, you will need to submit receipts and a short report about what you did and what you learned.
